21 Days

TO A HEALTHIER WEIGHT*

- ✓ Healthy Weight Loss
- ✓ Detoxification
- ✓ Appetite Control
- ✓ 50 Billion Probiotics
- ✓ Peach Mango Flavor

Vibrant Flora Lean Body Support is a 21 Day jump start to a new you. While most weight loss products on the market are focused on a quick fix, Lean Body Support has a nutritional base of greens to support truly healthy weight loss. It is clinically formulated and targets weight loss by **1)** providing broad nutrition **2)** accelerating metabolism **3)** controlling appetite **4)** speeding destruction and burning of stored fats, and **5)** supporting detoxification.

Metabolism Boosters

- **Green Coffee Bean**
- **Green tea leaf extract**
- **White willow bark**
- **Bitter orange extract**

Without a sound base of nutrition, weight loss supplements can place your good health at risk or deliver very impermanent results. Losing weight, only to gain it all back later is frustrating! Lean Body Support helps guide you to a healthier diet and lifestyle. 50 billion probiotics will provide clean energy for your body as well as support digestion, immunity, and mood. When your body is nourished properly, you don't crave unhealthy junk food that sabotages so many weight loss programs. Instead, you feel empowered to make healthier choices and achieve long lasting results. Treat your body right. Avoid the common frustrations of unhealthy dieting by supplementing your weight loss program with Lean Body Support.

Vibrant Flora Provides

- 50 Billion Probiotics
- Protein
- Plant-based nutrition
- Fruits & Vegetables
- Fiber
- Antioxidants
- Vitamin D3

Benefits

- Helps curb appetite
- Carb control
- Aids in fat reduction
- Increases metabolism
- Supports detox
- Reduces the urge to snack

Targeted Weight Management

- 50 billion probiotics from 4 strains known to accelerate loss of body fat
- Vegetable powders & botanical extracts that help enhance breakdown of adipose tissues and burning of stored body fat

Appetite Suppression

- D-phenylalanine - an amino acid which may help control appetite while providing mental clarity
- Satiereal® – a patented saffron extract effective at curbing appetite in clinical trials
- Acacia gum fiber - Fiber, prebiotic, aids digestion, supports healthy blood sugar levels, may have a role in lowering cholesterol, useful in weight management, pain management, and liver protection

Glycemic Controller

Vitamin D from Lichen whole plant oil powder slows the conversion of ingested starches and sugars to triglycerides that might otherwise be stored away as body fat. Lean Body Support, combined with a normal exercise regimen and a healthy diet, will support goals of losing weight and feeling great.
