VIBRANT HEALTH®

KREBS ZINC™

Krebs Zinc is the superior form of zinc for use by every member of the family. Children need it in order to physically develop and mature. We all need it for healing, bone health, immune function, to maintain the senses of taste and smell – and to keep more than 300 enzymes in the body functioning properly.

- ▶ Fully reacted and balanced, 20% of the mineral content comes from each of the 5 Krebs cycle compounds.
- ▶ The Krebs cycle generates energy in every cell. Zinc bound to the 5 organic acids that drive the cycle is thought to be highly bioavailable because the acids are needed to support life.*
- ▶ Essential to growth, tissue health and integrity, immunity, bone building, antioxidant protection, and more!*
- ▶ **Directions** Take 1 capsule daily or more as directed by a health professional. Keep out of reach of children. Store in a cool dry place.
