

VIBRANT HEALTH®

DAILY MAINTENANCE

Formula

+ 25 Billion Probiotics

- ▶ **Supports Urinary Tract Function†**
- ▶ **150 mg of Cranberry Extract**
- ▶ **Gluten Free/Soy free**
- ▶ **Tastes Great!**

Look What's Inside

VIBRANT HEALTH®

U.T. BIOTIC

U.T. Biotic is a daily maintenance formula for urogenital health. Recurrent urinary tract infections (UTIs) occur when pathogenic bacteria invade the urinary tract. Since lactobacilli (probiotics) dominate the flora of healthy urogenital tissue, supporting that flora with probiotics may protect against UTIs. Probiotics additionally play a major role in the maintenance of a healthy vaginal tract by preventing colonization by pathogenic bacteria. Lactobacillus acidophilus and L. paracasei in particular have been shown to compete against pathogenic Staphylococcus aureus, Group B streptococci, and Gardnerella vaginalis, inhibiting their adhesion to vaginal tissues. These Lactobacillus strains and others (L. rhamnosus, L. fermentum) have been identified as anti-infective agents in the vagina. The benefits seem to derive from hydrogen peroxide, lactic acid, and natural antibiotics (bacteriocins) produced by the probiotic bacteria. Cranberry extracts are known to help resist E. coli adhesion on urogenital tissues. For added support to urogenital health, U.T. Biotic includes a new cranberry extract that provides a unique class of proanthocyanidins clinically shown to resist adhesion of unwelcome bacteria in the urinary tract. It joins 25 billion probiotics from 7 stains beneficial for urogenital health as identified in the scientific literature.

► **Directions** As a dietary supplement, take one (1) capsule daily approximately

► **Available** in 30 count capsules

Supplement Facts	
Serving Size 1 Vegetable Capsule	
Servings Per Container 30	
Amount per serving	% Daily Value
Probiotics (25 billion cfu)	
Lactobacillus acidophilus HA-122	5 billion *
Lactobacillus casei HA-108	5 billion *
Lactobacillus rhamnosus HA-111	5 billion *
Bifidobacterium longum HA-135	3.75 billion *
Lactobacillus brevis HA-112	2.5 billion *
Lactobacillus helveticus HA - 128	2.5 billion *
Lactobacillus fermentum HA-179	1.25 billion *
Cranberry whole fruit extract	150 mg *
*Daily Value not established	

Other Ingredients Potato starch, Vegetable Cellulose Capsule, Stearic acid, Ascorbic acid. Contains: milk. Trace amounts of milk residues were detected as a byproduct of the probiotic growth cycle.
